2020 Week of Giving

Body:

A Message From:

Human Resources

Dear Associates,

At FirstService Residential, we believe it is our responsibility to lend a hand and support the communities in which we work, live and play.

From donating toys to children in need, assembling care packages for deployed troops or gathering donations for food banks, we constantly “Aim High” to fulfill our [Social Purpose](#): our desire to do good while doing good work.

Each year (typically in May), we have a **Week of Giving** where we promote volunteerism and provide opportunities for our associates to give back. **However, due to COVID-19, we have decided to postpone this year’s event.** Our hope is that we can host our Week of Giving later this year when it is safer to do so and when physical distancing restrictions are lifted.

We will continue to assess the COVID-19 situation and will provide you with status updates on our Week of Giving. **In the meantime, we will share opportunities for you to support your local community in-person, monetarily or virtually.**

Our Social Purpose will always be a part of our collective DNA. And even during a global pandemic, we will continue to help as much as we can, where we can and when we can.

“We make a living by what we get. We make a life by what we give.” – Winston Churchill

Please stay tuned for more information on how to get involved in your local communities.
