Dear PREFIX NAME,

Thank you for your generous contribution to UCI's Department of Pharmaceutical Sciences. Your gift provides meaningful opportunities for our faculty and students to improve our society's health and wellbeing through groundbreaking drug discovery research.

Your donation plays a critical role in helping us shape a brighter and healthier future. Gifts are used to attract innovative faculty, support students through scholarships and fellowships, and fund pioneering research in the field of drug discovery and development. Thank you for helping us improve the lives of patients around the world.

For more information on how your donation is making a difference, I invite you contact me so we may discuss how we can create a legacy that won't just shine for today, but will continue to grow and shine brighter for future generations to come.

Sincerely,

Marilyn Huynh  
Associate Director of Development  
Department of Pharmaceutical Sciences
